DESCRIPTION

A beautiful chalet, productive growing spaces and exceptionally well-planned outbuildings come together on this 39.89-acre estate property near 150 Mile House. Held on two titles and entirely fenced, this versatile acreage offers a country home, room for animals and a furnished rental cabin. Quality construction, practical design and excellent condition are evident throughout the property.

Built in 2010, the three-level, three-bedroom, three-bathroom home is centred around an open-concept kitchen, dining and living area. A soaring 23 ft ceiling, floor-to-ceiling windows with built-in power blinds and a floor-to-ceiling fireplace create a striking gathering space. Granite countertops and tasteful finishes complement the home's warm chalet character.

The loft primary bedroom overlooks the main living space and has an attached bathroom featuring an impressive 6' x 6' shower. The fully finished lower level offers a cosy family room, foyer and entranceway, an office or gym, bathroom, generous pantry and utility room. Boiler-supplied in-floor heating provides comfortable warmth. The attached garage also has heated floors, power and a built-in air compressor.

The outbuildings are equally impressive. The 27'5" x 38'3" shop has drive-through access with 13 ft doors at both ends, power and water, a heated veterinary room, animal stalls and an upstairs office. Dog kennels, a fenced corral and automatic heated livestock waterers add to the property's functionality. The chicken coop has power, water and lights on a timer, with an attached 21' x 21' hay barn.

Gardeners will appreciate the greenhouse with fans, lights and a watering system, an attached cold room/wine cellar and a separately fenced garden. The furnished rental cabin includes a kitchen and living room, a spacious upper-floor bedroom, its own entrance and a fenced yard.

A full security system, powered entrance gate and secondary electrical panel for generator backup complete the setup; a generator is not included. Water rights are included, and each parcel has its own well and power, offering the option to explore a separate sale of one lot.

This is a must-see property for buyers seeking a beautifully maintained rural home with the infrastructure already in place. Priced to sell, with far more to appreciate in person.
