## Developer Details

Bowen Island Properties has been involved in building communities, creating new neighbourhoods, and constructing homes on Bowen Island since 1988. Its passion and vision, shared with equally passionate community groups and individuals, have helped to create the cherished communities of Cates Hill, major parts of Cowan Point, and the emerging community of Seymour Landing. All of which have helped to shape much of the island as it is today, and will continue to shape it.

Not only has Bowen Island Properties built a solid reputation as a developer and home builder, they have also helped to create and been part of some of Bowen's most prominent gathering places (Village Square, Cates Hill Chapel, Rivendell Retreat, Artisan Square, Bowen Island public golf course) and educational facilities (Island Pacific School, The Children's Centre, and Tir-na-nOg Theatre School).

Like the entrepreneurial pioneers of the past, Wolfgang Duntz and Daron Jennings (managing partners of Bowen Island Properties) share in the belief that Bowen Island is a "jewel yet to be discovered"—a unique place with all the natural beauty, safety, and tranquility that only an island can provide, and yet remain conveniently connected to one of the world's most desirable cities.

Bowen Island Properties will remain true to its passion of being part of building an island community that rests solidly on the lasting principles of sustainability that are applied with joy, wisdom, and integrity.

“Our purpose is to create neighbourhoods where people love to live.”
